

INVENTORY CONTROL MANAGEMENT

TRANS*CONTINENTAL* offers the latest in Inventory Control Software providing real time inventory tracking capabilities among other great inventory tools for our customers.

By utilizing software developed by **Traker Systems™**, all of our in house Inventory Control Management is simple to read and use, providing accurate information of all warehouse activity. Customers who use the **e-Traker™** Module can have **secure access to view and track inventory and activity 24/7** and can email specific shipping or receiving instructions to customer service at any time of day.

Some additional features of the **Traker Inventory Control System™**, our customers can expect are as follows:

Inbound Receiving

- Complete Inbound Receipt Documentation
- Automatic or Manual Lot Number Assignment
- Lot Tracking
- Backorder Capability
- All Product Information is entered and store for future use and calculations.

Such items as Inbound P.O.'s, Pallets, and Inbound Carriers are kept with each Inbound Record.

The screenshot shows a software window titled "Inbound Shipments For >>ALARMCO". The main heading is "INBOUND" with "Inbound Receipt#" 100035 and "Status" Posted. Below this are fields for "Cross Dock Bill of Lading#" (unchecked), "Owner" (AMFLBCA), "Shipper" (AMFLBCA), "Carrier" (NORDIC), "Ship Date" (11/11/98), "Rec Date" (11/11/98), and "Temp" (Dry). A table lists items with columns: Qty Recv, Qty Ord, Stk UoFM, Item#, Lot#, Description, and Pallets. The table contains three rows of data for AMITY FLOUR CO. products. At the bottom, summary fields show "Pallets: 70", "Net: 151000.00", "Tare: 0.00", and "Gross: 151000.00". Navigation buttons include Top, Prev, Next, Bottom, End, Print, Add, Edit, Delete, and Exit.

Qty Recv	Qty Ord	Stk UoFM	Item#	Lot#	Description	Pallets
1000	1000	Case	AFDAY1	1082	AMITY DRY ACTIVE YEAST 1 LB	10
1000	1000	Sack	AFVDDG0	1083	AMITY VARIETY DOUGH BASE	20
1000	1000	Sack	AFWWMF0	1084	AMITY WHOLE WHEAT FLOUR 50 L	20

Outbound Shipments

- Withdrawn Automatically or Manually using LIFO or FIFO.
- Complete picking slips, Bills of Lading and Packing Slips with each shipment.
- Shipments are posted daily or reserved for future ship dates.
- Outbound tracking by date, Bill of Lading Number, Customer or Item.

All product information associated with products is carried forward to each outbound order.

BO	Qty	Item#	Lot#	Description	Net	Tare	Gross	Fill
	100	10502	1046	RC'S CHILI VERDE RIKER	2500.00	100.00	2600.00	
	100	10503	1005	HOTTER THAN HECK CH	2500.00	100.00	2600.00	
	200	10501	1044	RED ALERT CHILI	5000.00	200.00	5200.00
